

Bridgman Ridge

Stage 3B

The final few

Attention home buyers: This is your last chance to buy your perfect block of land in the popular Stage 3B.

We've seen a rush of lots being sold in this elevated stage over the past few weeks and now there are just **3 lots left**. It's little wonder why, with prime positioning within Bridgman Ridge (masterplan), wide frontages and level ground to make building that much easier.

The land has already been registered which means you could start building your new home right away. Imagine watching the sunset from your balcony, enjoying a glass of red and the panoramic views down the valley.

Find out more about Stage 3B by heading to our website: bridgmanridge.com.au

The latest stage to be released

Due to high levels of demand, we're announcing the release of the latest stage at Bridgman Ridge, Stage 4A. We have **18 lots that are ready to go**. Registration is due before Christmas so you can start the new year with a new lifestyle at Bridgman Ridge.

Get in quick and take your pick of the lots!
See the Stage plan or contact us to find out more.
